

BUCKEYE KOSHER™ SUPERVISION

January 1, 2019

This certificate certifies that Café 4300 located at 4300 E 5th Ave. is under the supervision of Buckeye Kosher. Both meat and dairy offerings are prepared out of separate kitchens under hashgacha temidis.

All food on the salad bar is prepared in the dairy kitchen. Consumers should be aware that items from the salad bar are only to be taken with salad bar utensils and placed on provided salad bar disposables. Salad bar items are not to be placed directly onto disposables/food from the café counter to prevent crossover with meat items.

This certificate is in effect until December 31, 2019 and is subject to renewal at that time.
